To Whom It May Concern,

On behalf of Romkatel SRL it is my pleasure to recommend Workspace Studio as a partner for your projects.

In 2016 Romkatel had to refurbish its facilities in Bucharest, remodeling some of the spaces and procuring new furniture. Considering their problem solving attitude and good financial offer, Workspace Studio was chosen as the General Contractor for this project.

Workspace Studio brought knowledge, experience, integrity and excellent quality to our project. Their willingness to help achieve our goals from a budgeting and functional point of view has made our cooperation a success.

We are also very satisfied with the exceptional ergonomics of the Herman Miller chairs.

Romkatel's management is confident that Workspace Studio can deliver a quality project on time with competitive price.

Ovidiu Stanescu
Managing Director
